## A Traveller in War-Time

By Winston Churchill (1871 – 1947)

A Traveller in War-Time

This is a collection of a series of journalistic articles written during his travels throughout WWI era Europe that Churchill — the American author, not the famed British statesman — published in 1917; the book version came out in 1918. The writing is sharp, straightforward, and rarely sentimental, with loads of local color and occasional humor. (Summary by Bellona Times)
